INMATE STATEMENT

On June 5, which was Saturday, around 1:00 PM recreation time. As soon as the officer open the tier doors (cell) ^{B-Lower levels only} Puno (Georgy Summers) ^{B-L-12} went to the upper level cell (2) and either Robbed or tryed to Robb Victor Smith ^(Qazeem) Puno (Georgy Summers) ^{B-L-12} punched Victor Smith by physically assaulting him on the left side of his face with what ever he hit him with. The climate on the tier became negative because Georgy Summers ^{B-L-12} attacked a muslim. So all the muslims felt Georgy Summers shouldn't had done that. I personally didn't understand what had happen until I was informed. The next day the climate was still there Georgy Summers tryed to attack another muslim with a "lock-n-sock" or a "lock on a shoe string." Nobody who was muslim was his target because he felt as if he was about to get jumped on because of what he did to Victor Smith. Victor Smith is innocent to this, the same I and any other muslim that is suspect. Georgy Summers tryed to get James Hall and the guy light skin fat ^{190392 muslim} to jump on a muslim.

My roommate James Hall was fighting somebody on the tier trying to help Puno (Georgy Summers) out because that's his boy, I guess. I told me not to go to sleep tonight as if I had something to do with thier problems, because it was a muslim situation.

The correction code of penal discipline rules defines the Code 200.203 Disorderly or Threatening behavior states as Followed: (a) Fighting, or other violent, or threatening behavior. (b) Insulting, taunting or challenging another person, in a manner likely to produce a violent or disorderly response.

Therefore, the Food service specialist officer never acted in a way to where insult or taunting or challenging her in a manner likely to produce a violent or disorderly response.

The part of (b) doesn't describe anything of disorderly or threatening behavior. The same as with (A). There isn't any showings of this code either in the officers #122 report or the #404 report.

This goes against the purposes and objectives of the correctional code of penal discipline good Faith and Fairness. Within the Purpose and objectives 100.12^(D) the #122 report has some arbitrary nature because this was brought to the attention of the hearing officer also dealing with (e) of purposes and objectives 100.12. Also It was made clear to the Disciplinary Hearing Officer that the Food Service Specialist's write up is dated 5/13/03 ^{APX 1800} and that Lt. Stanton of the 4+12 shift certified that on 5/14/03 APX 1956 served upon me notice of Disciplinary Hearing of minor/major offense and the Disciplinary Report was attached hereto. The Food service specialist wasn't within the 24hr notice and therefore was (2) hours off notice.

Also, the Hearing Officer was very ~~im~~partial towards the inmate and sarcastic. He spoke with the Food Service Specialist before the hearing and it should be logged from the movement.

My reason for making this appeal are:

HEARING OFFICE CLERK

The OFFense of Disorderly/^{Threatening} behavior that I was found guilty of doesn't reflect what happen in the OFFicers write-up.

There isn't any Disorderly/^{Threatening} behavior in the wording of the write-up. Disorderly/^{Threatening} behavior is known to be a verbal action more than just an physical one.

Since there wasn't any verbal action of any disorderly/^{Threatening} behavior, and as stated clearly in the OFFicers write-up, she had to call me twice clearly shows no response by me. So there can not be any disorderly/^{Threatening} behavior because the incident never happen on my part and on her part I never was verbal.

Re: ORDER TO EXECUTE SANCTION for case Number: **03-1565**
This **29** day of **July, 2003**, whereas, Inmate **Coffield, Anthony**
Inmate Number **190392** has been guilty of **Disorderly or threatening behavior.**

[] Whereas, said inmate does not want to appeal; or

[] Whereas, more than 72 hours have expired since the Disciplinary Hearing was held;

[x] An appeal filed by said inmate has been denied by the Commissioner/his designee.

Now, Therefore, IT IS ORDERED that the following sanction be executed
Fifteen (15) days isolation to be scheduled by the Shift Commander.

***Confinement to Quarters** - - An inmate may be confined to his quarters for a period of time not to exceed 30 days only after being found guilty of a MAJOR offense. When confined to quarters, the inmate is prohibited from participating in all activities; i.e., recreation, education, library, counseling, job assignments, religious services, commissary, visits, telephone calls, etc. He is to be confined to his quarters for the entire period designated with the exception that the inmate should be permitted to shower, exercise, and clean his cell on Monday, Wednesday, and Friday.

***Loss of Privileges** - - Loss of Privileges may be given for no more than 24-hours by the Shift Commander to correct minor or major violations of the Code of Penal Discipline. Loss of Privileges also may be given by the Hearing Officer for a period of time of more than 24-hours but less than 15 days after being found guilty of a minor offense and less than 60 days after being found guilty of a major offense.

Loss of Privileges is not a confinement to quarters. One or more privileges may be revoked for the time period specified but the inmate may continue to leave his quarters as normal except for the privileges that are taken away. The privilege must be specified if it is less than all privileges.

The term "all privileges" shall refer to: Telephone Calls, Recreation (including tier recreation), Visits, and Commissary.

The following are not considered "privileges" and cannot be revoked for a loss of privileges: Education Classes, Vocational Training Sessions, Counseling Sessions, Alcohol/Drug Rehabilitation Programs, Regular Job Assignments, Religious Services, and Legal Access (Law Library).

During a Loss of Privileges, an inmate is permitted out of his cell to attend the above seven (7) items not classified as privileges. However, the inmate is not permitted to "hangout" or "wander around" on the tier. This is considered tier recreation and such is revoked if recreation privileges are revoked.

Re: ORDER TO EXECUTE SANCTION for case Number: DR01-4442

This 8 day of April, 2002, whereas, Inmate Coffield, Anthony
Inmate Number 190392 has been guilty of Failing to Obey an Order and Off Limits.

☐ [] whereas, said inmate does not want to appeal; or

☒ [X] Whereas, more than 72 hours have expired since the Disciplinary Hearing was held;

☐ [] An appeal filed by said inmate has been denied by the Commissioner/his designee.

Now, Therefore, IT IS ORDERED that the following sanction be executed
Five (5) days Loss of all Privileges starting on 4/22/02 and ending on 4/26/02.

***Confinement to Quarters** - - An inmate may be confined to his quarters for a period of time not to exceed 30 days only after being found guilty of a MAJOR offense. When confined to quarters, the inmate is prohibited from participating in all activities; i.e., recreation, education, library, counseling, job assignments, religious services, commissary, visits, telephone calls, etc. He is to be confined to his quarters for the entire period designated with the exception that the inmate should be permitted to shower, exercise, and clean his cell on Monday, Wednesday, and Friday.

***Loss of Privileges** - - Loss of Privileges may be given for no more than 24-hours by the Shift Commander to correct minor or major violations of the Code of Penal Discipline. Loss of Privileges also may be given by the Hearing Officer for a period of time of more than 24-hours but less than 15 days after being found guilty of a minor offense and less than 60 days after being found guilty of a major offense.

Loss of Privileges is not a confinement to quarters. One or more privileges may be revoked for the time period specified but the inmate may continue to leave his quarters as normal except for the privileges that are taken away. The privilege must be specified if it is less than all privileges.

The term "all privileges" shall refer to: Telephone Calls, Recreation (including tier recreation), Visits, and Commissary.

The following are not considered "privileges" and cannot be revoked for a loss of privileges: Education Classes, Vocational Training Sessions, Counseling Sessions, Alcohol/Drug Rehabilitation Programs, Regular Job Assignments, Religious Services, and Legal Access (Law Library).

During a Loss of Privileges, an inmate is permitted out of his cell to attend the above seven (7) items not classified as privileges. However, the inmate is not permitted to "hangout" or "wander around" on the tier. This is considered tier recreation and such is revoked if recreation privileges are revoked.
